

**“AMERICAN VETERANS
COMMEMORATION”
REV 12:14 & 1THESS 4:13-17**

“America will be assisting Israel in the tribulation in this context. Outside of this context, America the Eagle must assist herself against all enemies, foreign and domestic.

So what we are saying is that, since Crispus Attucks and the Minutemen; Paraphrasing: pick these rifles up in 60 seconds and you could get the first resurrection.

Meaning, all of those who laid down their lives and all those who made it out alive for the better of America, in which was founded upon Christianity, for the most part, will make the rapture whether dead or alive.”
